CHRIS COOK
13 years PERFECT ATTENDANCE

Chris Cook, son of Clyde and Florence Cook of Matheny, is graduating this year after completing thirteen years of school with perfect attendance. This record is estimated to be 2,340 days. Chris attended Matheny Grade School for 9 years. One of his grade school teachers, Mrs. Virginia Stewart, stated, "Chris was an ideal boy to teach. He was always very cooperative with a desire to learn and was determined to attend school even when sick." Chris' high school principal, Mr. Fred Halsey, commented, "Chris has accomplished an incredible feat by attending school thirteen years without missing a day. He deserves great praise for his 2,340 days of school attendance — something few students anywhere in the world could boast of doing."

WORLD EVENTS

Four prominent actors died in late 1985: Orson Welles, (T-L) 70, of a heart attack; Lloyd Nolan, (T-R) 83, after a battle with lung cancer; Rock Hudson, (B-L) 59, after a battle with Aids; Yul Brynner, (B-R) 65, of cancer.

A Delta Airlines jetliner crashed near Dallas in August, killing 137 people. The plane was on a flight from Fort Lauderdale, Florida, to Los Angeles with an intermediate stop at Dallas-Fort Worth. Thirty-four people survived the crash but five died of injuries later. The plane encountered a severe wind shear as it plunged to the ground.

A series of devastating earthquakes rumbled through Mexico City in September and the death toll was in the thousands. Few in the metropolitan area of 18 million escaped the effects of the first quake, which registered 8.1 on the Richter scale; or the second quake, which measured 7.5.

▲ Riots were an almost daily occurrence in South Africa as blacks protested Apartheid. In this photo, a white man runs from jeering group of stone-throwing blacks in downtown Johannesburg as widespread violence continued to breakout throughout the country.

▼ Cincinnati Reds player-manager Peter Rose broke Ty Cobb's career hit record in September. The historic No. 4,192 hit was a single to left field on a 2-1 pitch from San Diego Padres righthander Eric Show with one out in the bottom of the first inning.

Four Palestinian terrorists hijacked the Italian cruise liner Achille Lauro while on a Mediterranean cruise. One American was killed. After the ship was released the Egyptian government agreed to return the hijackers to the PLO. However, the hijackers were intercepted by American jets as they were flown out of Egypt and returned to Italy to stand trial.

▼ The space program moved ahead. Space walker James Van Hoften stands tall on the end of the robot arm of the Space Shuttle Discovery after successfully launching the repaired Snycom satellite in September.

▲ The war in the Mid-East continued in 1985. A distraught Moslem man hugs his son moments after they survived a car bomb explosion outside a West Beirut restaurant in late August. They are shown being hurried away from the carnage by another man as cars burn in the rubble-strewn street.

▼ An entire city block was destroyed in Philadelphia. Police tried to evict members of the radical group MOVE from their fortified rowhouse by dropping a small bomb on the building. A fire was started by the device and about 60 houses were destroyed.

GENEVA, NOV. 19 — FIRESIDE CHAT —
President Reagan and Soviet leader Mikhail Gorbachev talk in front of a fireplace at the Fleur D'Eau Tuesday in Geneva. — 1985

The tragedy of the space shuttle Challenger exploding in January of 1986. The explosion killed a total of seven people, including two women.

President Reagan, with his wife Nancy, gives the A-Okay sign from his hospital window in July after undergoing surgery to remove a cancerous tumor from his lower intestine. The 74-year old president was back on the job within weeks after the operation.

▲ Ceremonies were held at various times during the year at the Vietnam Memorial in Washington to commemorate the tenth anniversary of the fall of the Saigon government in Vietnam. The Vietnam Memorial is inscribed with the names of more than 58,000 dead or missing soldiers from the Vietnam war.

▲ **ARMERO, COLUMBIA, NOV. 15 — DIGGING OUT —** A resident of Armero in the Columbian mountains is helped by the Columbian Red Cross during digging out efforts, Friday. Many people are still trapped in mud and are being rescued with the help of hundreds of volunteers. — 1985

▼ Trans World Airlines jet with 145 passengers and eight crew members was hijacked in Athens, Greece, in June. The Sheite hijackers took the plane to Beirut, then to Algeria and then back to Beirut. Most of the hostages were released within days but the remaining 39 hostages were held for 17 days. One American hostage was killed.

▼ The Kansas City Royals won the World Series. Royals pitcher, Bret Saberhagen embraces third baseman George Brett after pitching a five-hitter to give the Royals the World Series crown over the St. Louis Cardinals. Saberhagen, the winner of two series games, was named as the Most Valuable Player in the series.

▼ High school teacher Christa McAuliffe folds her training uniform as she packed for a trip to Houston where she began training for her trip into space. McAuliffe was a high school teacher from Concord High School in Concord, N.H. Christa was killed when the space shuttle exploded.

SENIORS

Twelve years of hope,
Twelve years of fears,
Twelve years of friendship,
All ending in tears.

We've loved and we've cried,
And we've laughed in these halls.
We've beat up our lockers,
And written on these walls.

Teachers we've dreaded,
And teachers we'll miss,
All ending now with
A hug and a kiss.

The friends that we've made
And kept through the years
Who've shared all the laughter
And helped cry the tears.

We're seniors at last
juniors no more.
We've opened and closed
An important door.

A door to our futures
That we all must pass through.
As we walk down the aisle
We all wonder what to.

A "Goodbye" and "So long"
And "I'll keep in touch."
All rather pointless
But each mean so much.

It's all ending now
As we go our own ways
But we'll always remember
Our OCEANA HIGH SCHOOL YEARS.

GRADUATION

Your friends say they'll keep in touch,
but you know they won't.

Your teachers say come back and
see them, and you know you won't.

Maybe someday it won't matter,
but right now, it hurts a little.
